

Employment

Policy statement

We meet the Safeguarding and Welfare Requirements of the Early Years Foundation Stage, ensuring that our staff and volunteers are appropriately qualified, and we carry out checks for criminal and other records through the Disclosure and Barring Service (DBS) in accordance with statutory requirements.

Procedures

Vetting and staff selection

- We work towards offering equality of opportunity by using non-discriminatory procedures for staff recruitment and selection. We follow our legal responsibilities under the Equality Act 2010 including the fair and equal treatment of early years educators regardless of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.
- All our staff have job descriptions, which set out their roles and responsibilities.
- We welcome applications from all sections of the community. Applicants will be considered on the basis of their suitability for the post, regardless of disability, gender reassignment, pregnancy and maternity, race, religion or belief, sexual orientation, sex, age, marriage or civil partnership. Applicants will not be placed at a disadvantage by our imposing conditions or requirements that are not justifiable.
- We follow the requirements of the Early Years Foundation Stage and Ofsted guidance on checking the suitability of all staff and volunteers who will have unsupervised access to children. This includes obtaining references and ensuring they have a satisfactory enhanced criminal records check with barred list(s) check through the DBS. This is in accordance with requirements under the Safeguarding Vulnerable Groups Act (2006) and the Protection of Freedoms Act (2012) for the vetting and barring scheme.
- During our recruitment process we explore candidate use of spoken and written English allowing us to meet the standards of the EYFS.
- Where an individual is subscribed to the DBS Update Service, we carry out a status check of their DBS certificate, after checking their identity and viewing their original enhanced

DBS certificate to ensure that it does not reveal any information that would affect their suitability for the post.

- We keep all records relating to the employment of our staff and volunteers; in particular those demonstrating that suitability checks have been done, including the date of issue, name, type of DBS check and unique reference number from the DBS certificate, along with details of our suitability decision.
- We require that all our staff and volunteers keep their DBS check up-to-date by subscribing to the DBS Update Service throughout the duration of their employment with us.
- The amendments to the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (2013 and 2020) provides that when applying for certain jobs and activities, certain convictions and cautions are considered 'protected'. This means that they do not need to be disclosed to employers, and if they are disclosed, employers cannot take them into account. Guidance about whether a conviction or caution should be disclosed can be found on the Ministry of Justice Website and on the websites of charities NACRO and UNLOCK.
- Our staff are expected to disclose any convictions, cautions, court orders, reprimands and warnings that are not eligible for 'filtering' by the disclosure and barring service (DBS), which may affect their suitability to work with children – whether received before, or at any time during, their employment with us. For more information, please follow this link <https://www.gov.uk/government/publications/dbs-filtering-guidance/dbs-filtering-guide>
- We obtain consent from our staff and volunteers to carry out on-going status checks of the Update Service to establish that their DBS certificate is up-to-date for the duration of their employment with us.
- In regard to what is disclosed on an Enhanced DBS certificate, the following rules were updated on 28th November 2020. Warnings, reprimands and youth cautions will no longer be automatically disclosed on a DBS certificate and the multiple conviction rule has been removed, meaning that if an individual has more than one conviction, regardless of offence type or time passed, each conviction will be considered against the remaining rules individually, rather than all being automatically disclosed.

- Where we become aware of any relevant information which may lead to the disqualification of an employee, we will take appropriate action to ensure the safety of children. In the event of disqualification, that person's employment with us will be terminated.

Notifying Ofsted of changes

- We inform Ofsted of any changes to our Registered Person and/or our manager.

Training and staff development

- Our manager holds an approved level 3 qualification or above and at least half of all other staff holds at least an approved level 2 qualification. We ensure there is a named deputy who, in our judgement, is capable and qualified to take charge in the manager's absence.
- We provide regular in-service training to all our staff - whether paid staff or volunteers - through the local authority and external agencies.
- Our budget allocates resources to training.
- We provide our staff with induction training in the first week of their employment. This induction includes our Health and Safety Policy and Safeguarding Children and Child Protection Policy. Other policies and procedures are introduced within an induction plan.
- We support the work of our staff by holding regular supervision meetings and appraisals.
- We are committed to recruiting, appointing and employing staff in accordance with all relevant legislation and best practice.

Staff taking medication/other substances

- If a member of staff is taking medication which may affect their ability to care for children, we ensure that they seek further medical advice. Our staff will only work directly with the children if medical advice confirms that the medication is unlikely to impair their ability to look after children properly.

- Staff medication on the premises will be stored securely and kept out of reach of the children at all times.
- If we have reason to believe that a member of our staff is under the influence of alcohol or any other substance that may affect their ability to care for children, they will not be allowed to work directly with the children and further action will be taken.

Managing staff absences and contingency plans for emergencies

- Our staff take some of their holiday entitlement when the setting is closed. Where a staff member may need to take time off for any reason other than sick leave or training, this is agreed with management with sufficient notice.
- Our manager organises our staff annual leave so that ratios are not compromised.
- Where our staff are unwell and take sick leave in accordance with their contract of employment, we organise cover to ensure ratios are maintained.
- Sick leave is monitored, and action is taken where necessary, in accordance with the individual's contract of employment.
- We have contingency plans to cover staff absences, as follows:

- Firstly we look at overall numbers in the nursery and see if a staff member in another room can be taken out to cover without effecting staff ratios.
- We usually operate above Ofsted guided ratios, therefore we may not need to change anything
- We have external bank staff that we contact. These are all people who have worked at the nursery previously, some of them are at university and are always willing to cover during holidays or on their days off
- If no one from our bank staff is available, we will call upon an external temping agency
