

9MN CURRENT STAFF

Hi I'm Tas – I am the owner/Managing Director of 9MN. Since establishing 9 Months in 2001, I am most proud of all the alumni who still keep in touch and have fond memories of the nursery. Many of our children have now finished university and are on their various career paths and it blows me away that I have been a part of this journey. I never tire of spending time with children in the early years, as those of us in the profession know 'By learning you will teach, by teaching you will learn' And I have learned a lot from the children around me.

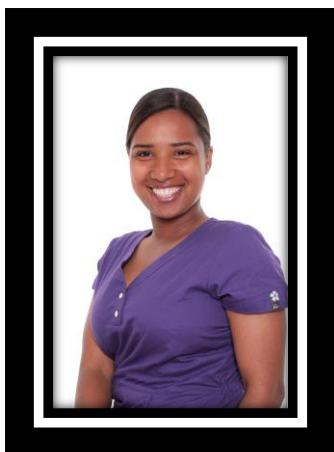

I am the Deputy Manager of 9MN and the Preschool Lead. I have been with 9MN since 2004. I have worked with most of the age groups over the years but cannot imagine working anywhere other than the Preschool room now. I love taking the children on new adventures and helping them to get ready for big school. In my spare time I love exercising and spending time with my family

I'm Kim the Office Manager at 9MN and have been in the role since September 2018. I am also an ex-parent of 9MN with a son who has now completed 4 years at university!

For many years I worked in corporate HR, and I really wanted a change. I decided to try out office management within the primary and early years sector and so far, I haven't looked back. I am in awe of how the practitioners nurture the children at 9MN and bring them along on their learning journeys, it is certainly a calling.

I'm proud to say I took up running during lockdown, starting with couch to 5k! I can now run comfortably for more than an hour, I never thought in a million years that would be possible for me.

I am Joana and I've been with 9MN since 2015, since changing my career.

I have experience different roles, working in different rooms and have thoroughly enjoyed them all. I find caring and developing the children very rewarding and always aim to ensure they feel safe and secure. Every day I go home knowing I have taught a child something new and have made a contribution to their future.

In my spare time I like jogging and socialising with my friend and family.

I am Kirti and I have been working at 9MN since 2016.

I love working at 9MN because I really like to work with the babies and be part of their childhood journey. My highest priority within my role is to ensure the safety of the babies.

I completed my level 3 course in childcare and choose to work with the children because it is what I love to do. I can also incorporate some of my own hobbies such as singing, drawing and general crafting into daily activities to promote special days and festivals.

My name is Neena, and I've been working in childcare for nearly 40 years and have been with 9MN since 2014. Therefore, I have a lot of experience and a genuine passion for early years. I have a very patient nature that has stood me well as a child minder, now as a practitioner and also as a grandmother.

Becoming a grandmother has been the icing on the cake and I love nothing more than taking my grandchild out for the day we'll go on woodland adventures to the park or museums.

My name is Mubashra, and I have been with 9MN since 2018.

I am the Chef at 9MN and love cooking fresh homemade recipes for the children and staff to enjoy. It's lovely to know that I am contributing to the children's health and wellbeing with my cooking, and it is wonderful to pop into the rooms and see all of the children enjoy my cooking!

Hi, I'm Khadeeja, I've been working at 9 Months Nursery since August 2023.

I love working at 9MN as it allows me to work with children, which I'm very passionate about. I'm very grateful that I am able to make an impact in their growth and learning.

I'm a trained graphic designer and make-up artist.

I really enjoy being creative and have found many opportunities within 9MN to show off my creative side!

Hi, I am Agnayee but everyone calls me Happy!

I have been working at 9MN since August 23, and I love helping the babies along their learning journey and helping them to cultivate good habits. I have very fond memories of inspirational teachers at my own school who helped me, and this is what has brought me to the world of Early Years Education.

After a year and a half working with school aged children, I am really looking forward to engaging with the babies and feel enthusiastic and motivated with this new opportunity.

My name is Ramandeep, and I have been with 9MN since May 2023. I love working in a nursery, it's heartwarming to play a role in shaping young minds, seeing the children grow, learn and explore the world around them.

I enjoy organising art and craft sessions with the children, sparking their creativity and fostering a love for artistic expression. It is a joy to see them explore their imagination through art.

Hello, I'm Harleen and I started working at 9MN in June 2023. Frankly speaking I am here because I love children. I enjoy teaching children, especially through art, which I really enjoy.

Out of work I really enjoy watching Korean dramas, I have to watch them with subtitles as unfortunately I don't speak the language!

Hi, I'm Mirela and I've had the privilege of being a part of the 9MN family since October 2023! Working at 9MN is an absolute delight because it's all about the little ones and their incredible growth journey. I find immense joy in being a part of their learning experience, helping them take their first steps, utter their first words and explore the world around them.

I'm an avid walker and music enthusiast. I love taking long walks in the serene outdoors, where I can clear my mind and recharge, all while listening to my favourite tunes. Whether I'm exploring nature's beauty or simply grooving to the rhythm of life outside of work. It's a pleasure to be part of this nurturing community, both inside and outside of the playroom, where every day is filled with wonder and laughter.
